**Sponsors and Exhibitor Application  
Vermont Library Conference  
May 22, 2019  
UVM Davis Center  
Burlington, Vermont**

This one-day event brings librarians from over 100 libraries to network, to learn, and to recharge. They are also on the lookout for new books, new ideas, new resources, and new plans.

The VLA conference coincides with library budget deliberations and therefore is the perfect time for vendors and exhibitors to share what is new, economical, and worthwhile with library directors and other decision-makers prior to any budget preparation for the next fiscal year.
